## **A note on Materials:**

All my paintings are prepared and painted with the highest quality materials sourced from Italy, Holland, South Africa and the States. Oil paints are all Master-Quality grade and you may request canvas, Belgian or Italian linens as a surface. All works are prepared archivally and will need at least 6-8 months of drying time (depending on work) before any thick resin-based varnish will be applied. Please note that this does not mean you have to wait that long to receive your work. You may request it to be varnished at a later time or not at all.

All of my original works will be accompanied with a certificate of authenticity. Please do not accept an original painting from a third party seller unless it is accompanied by a certificate from January 2021 onwards.
